EXPIRY:

Active Constituents:
Benzalkonium Chloride – 5.4% w/v = 54g/L
Poly (hexamethylene biguanide)
Hydrochloride – 0.4% w/v = 4g/L

FIRST AID:

For advice, contact a Poisons Information Centre (e.g. phone Australia 13 11 26; New Zealand 0800 764 766) or a doctor (at once). If swallowed, do NOT induce vomiting. If in eyes, hold eyelids apart and flush the eye continuously with running water. Continue flushing until advised to stop by a Poisons Information Centre (e.g. phone Australia 13 11 26; New Zealand 0800 764 766) or a doctor, or for at least 15 minutes. If skin or hair contact occurs, remove contaminated clothing and flush skin and hair with running water.

STORAGE:

Store below 30°C out of direct sunlight.
